Dear Mrs. Olsen,

This concerns the request of the Border Collie Society of America's request concerning the adding of specialty registries to the list of organizations with pedigrees acceptable for AKC registration.

Effective January 1, 2006 (after the conclusion of the current Open Registration period) the following registries will be added to the list of registries with pedigrees acceptable for AKC registration:

American Border Collie Association
American International Border Collie Association
North American Sheep Dog Society
Canadian Border Collie Association

The fifth registry in the club's request, the International Sheepdog Society, is already on this list.

Sincerely,

A handwritten signature in blue ink that reads 'James P. Crowley'.
