

April 8, 2008

Dear Affiliate Club Members,

This is just a reminder to please use only BCSA materials when your club puts on a Judges Education seminar. Remember that the only people authorized by BCSA to present an official description of the Border Collie Standard are members of the Judges Education Committee, or people approved by the Judges Education Committee Chair.

It is very important that we present the same information in a unified manner to prospective Border Collie judges, and that the seminars be Parent Club approved. If you have questions about the materials, please contact the Judges Education Committee Chair, Kelly Whiteman.

Thank you,
