**Health Screening:** Please submit copies (we will not be responsible for originals) of ALL health screening that has been done on both Dam and Sire. If nothing is submitted, "UNTESTED" will be listed by Dam and/or Sire name in the Futurity Catalog. See Litter Nomination Health below for a list of recommended health testing.

**Litter Nomination Health:** BCSA strongly recommends that both the Dam and the Sire of the nominated puppy have all health testing/clearances prior to the breeding. At this time, health testing/clearances of the Dam and Sire are not required to be able to nominate the litter, BUT all health testing/clearances (or lack thereof) WILL BE listed in the Futurity Catalog. Health testing/clearances that the BCSA recommends (but not limited to) are OFA for Hips/Elbows, yearly CERF exam, and DNA testing for CEA/CH, CL, and TNS.

**Litter Nomination Fee:** \$10.00 Checks need to be made out to BCSA, write Futurity on the check.

**Late Fee:** An additional \$10 for a total of \$20 if submitting after whelp and WITH litter nomination.
